

NEWS FLASH! This couldn't wait for a full fledged news edition...

Now all of New England can get their **annual free credit report** from all 3 credit reporting agencies simply by going on-line to:

www.annualcreditreport.com or call 1-877-322-8228.

Even if you don't plan to get more credit, you **NEED** to look over your report at least the free time once a year with each agency. This is the best way to insure your identity hasn't been stolen. An excellent suggestion I read was to rotate your request to each agency every 4 months so the report is always free and you stay very current.

The agencies will require you to pay to get your credit score (FICO) however.

best regards,
